MEMORANDUM FOR: TCO/DDP

SUBJECT : TALENT Clearances

REFERENCE : TCS 2249-57

1. This memo will confirm our telecon re [REDACTED]
The administrative procedure regarding TALENT clearance continuance
for staff personnel who resign is as follows:

A. TALENT debriefing just prior to resignation, including
signing of TALENT termination form.

B. Approval granted to re-indoctrinate former staff
employee in new status

C. Briefing and sign-up of subject at first contact in
new status.

2. Former employees who convert to Consultants are frequently
divorced from any Agency control or contact for considerable
periods of time. The debriefing upon resignation protects the
Project and theoretically prevents the former employee from discussing
Project information during interim.

3. In the instant case it will be appreciated if you will
furnish this office with a statement regarding [REDACTED] on the
subject of "Conflicting Interests" in the full legal sense of the
phrase as a pre-requisite for personnel security re-evaluation pending
approval for his TALENT clearance as a Consultant.
